Ask and Answer Informational Questions

Grade 1 Reading Worksheet - Challenge Me

Name _____ Date _____

Circle the answer.

READ THIS FIRST

Busy Bees

Bees visit flowers every day. They drink a sweet juice called nectar. Tiny grains of pollen stick to their legs. Bee legs are fuzzy. When a bee visits the next flower, some pollen falls off. This helps the flower make seeds. Bees are important helpers for plants. Some bees also make honey.

1. Which question does this text answer?
