Ask and Answer Informational Questions

Grade 1 Reading Worksheet - Building Confidence

Name _____ Date _____

Circle the answer.

READ THIS FIRST

Shadows All Day

A shadow forms when something blocks the light. In the morning, the sun is low in the sky. Shadows are long. At noon, the sun is high above you. Shadows are short. In the evening, the sun gets low again. Shadows grow long again. A shadow changes size all day because the sun seems to move.
