A Firefighter Team

Firefighters work as a team. Before each shift, they check the hoses and ladders. They want everything to work when it is needed. During a fire, each firefighter has a job. Some spray water. Some carry the hoses. Others help people get out safely. After a fire, the team goes back to the station. They clean all of their tools. Then they are ready for the next call.

1. What is this text mostly about?
   - how fire trucks are built
   - how firefighters check their tools
   - how firefighters clean up
   - how firefighters work as a team

2. Which sentence is a key detail from this text?
   - Before each shift, they check the hoses and ladders.
   - The team stays at the fire all night.
   - Firefighters work alone.
