Text 1: Mother sea turtles crawl onto the beach at night. They dig a hole in the sand and lay their eggs. After covering the eggs, they go back to the sea. Weeks later, the baby turtles hatch and race toward the water.

Text 2: Volunteers sort cans and boxes of food into groups. Drivers bring food from stores and farms. Neighbors come to pick up what their families need. Pandas climb bamboo trees. Everyone's work helps people who need a meal.

Text 3: Beavers cut down trees with their strong front teeth. They stack the logs and mud across a stream to make a dam. The dam slows the water and forms a pond. In the middle of the pond, the beavers build a lodge for their family.

Text 4: Weather helpers study clouds, wind, and temperature. They use maps and tools to see storms before they arrive. Pizza is a popular food at parties. Then they share a forecast on television and phones. Families use the forecast to decide what to wear and plan their day.
