Numbered reading texts

Text 1: The ocean is home to many kinds of animals, from tiny fish to giant whales. Some animals live near the surface, while others live in the dark deep water. Sea plants grow where sunlight can reach.

Text 2: Every fall, many birds fly to warmer places for the winter. This long trip is called migration. Birds fly in groups and follow the same paths each year.

Text 3: Sleep helps the body grow and rest after a busy day. Children need more sleep than adults. Getting enough sleep helps people think clearly and feel happy.

Text 4: Bridges help people cross rivers and roads safely. Some bridges are built for cars, while others are just for walking. Strong materials like steel keep bridges from falling down.

1. Use Text 1. What is the main idea of the paragraph?
   Many kinds of living things live in the ocean.
   Some animals live in the dark deep water.
   Water covers most of the Earth.

2. Use Text 2. Which detail from the paragraph supports the main idea?
   Birds never fly in groups.
   Birds fly to colder places in winter.
   Birds follow the same paths each year.

3. Use Text 3. What is the main idea of the paragraph?
   Sleep helps people think clearly.
   Healthy habits are important.
   Sleep keeps the body healthy.

4. Use Text 4. Which detail from the paragraph supports the main idea?
   All bridges are made of wood.
   Bridges are only for cars.
   Strong materials like steel keep bridges from falling down.
