## Numbered reading texts

Text 1: A volcano is an opening in the Earth. Hot melted rock, called lava, can flow out of it. When the lava cools, it becomes hard rock. Over many years, this rock can build a tall mountain.

Text 2: Our school garden grows lettuce, carrots, and beans. Students plant the seeds in spring. They water the garden and pick the food in the fall. The cooks use the vegetables in school lunches.

Text 3: Penguins are birds that cannot fly. Instead, they use their wings like flippers to swim fast. Their smooth bodies slide through the water. Penguins spend much of their lives in the sea.

Text 4: A shadow forms when something blocks light. Shadows are long in the morning and in the evening. At noon, when the sun is high, shadows are short. A shadow changes its length as the sun moves.
