Numbered reading texts

Text 1: Ants live and work together in large groups. Some ants find food while others build tunnels. Every ant has a job that helps the whole colony.

Text 2: Recycling turns old cans and bottles into new things. Trucks pick up the recycling from homes each week. Recycling keeps trash out of landfills and saves resources.

Text 3: In fall, the air turns cooler and leaves change color. Many trees drop their leaves onto the ground. Animals like squirrels gather food to get ready for winter.

Text 4: Farmers plant seeds in the spring and care for their crops all summer. They water the plants and pull out weeds. In the fall, farmers harvest the crops they grew.

1. Use Text 1. What is the main idea of the paragraph?
   Some ants build tunnels.
   Animals live in many places.
   Ants work together as a team.

2. Use Text 2. Which detail from the paragraph supports the main idea?
   Trucks pick up recycling from homes each week.
   Glass cannot be recycled.
   Recycling trucks come every day.

3. Use Text 3. What is the main idea of the paragraph?
   Fall brings changes to plants and animals.
   Seasons change through the year.
   Squirrels gather food to get ready for winter.

4. Use Text 4. Which detail from the paragraph supports the main idea?
   Farmers only grow corn.
   Farmers water the plants and pull out weeds.
   Farmers plant seeds in the winter.
