Numbered reading texts

Text 1: Ants live and work together in large groups. Some ants find food while others build tunnels. Every ant has a job that helps the whole colony.

Text 2: Recycling turns old cans and bottles into new things. Trucks pick up the recycling from homes each week. Recycling keeps trash out of landfills and saves resources.

Text 3: In fall, the air turns cooler and leaves change color. Many trees drop their leaves onto the ground. Animals like squirrels gather food to get ready for winter.

Text 4: Farmers plant seeds in the spring and care for their crops all summer. They water the plants and pull out weeds. In the fall, farmers harvest the crops they grew.

1. Use Text 1. Which detail from the paragraph supports the main idea?
   Some ants build tunnels.
   Ants are the strongest animals.
   Every ant finds food.

2. Use Text 2. What is the main idea of the paragraph?
   Trucks pick up recycling from homes each week.
   People make a lot of trash.
   Recycling helps take care of the earth.

3. Use Text 3. Which detail from the paragraph supports the main idea?
   Fall is the longest season.
   Squirrels sleep all through fall.
   Squirrels gather food to get ready for winter.

4. Use Text 4. What is the main idea of the paragraph?
   Farmers water the plants and pull out weeds.
   Farmers work hard to grow food.
   Food comes from many places.
