Sweet Strawberries

Strawberries are a sweet red fruit. They grow on low plants close to the ground. Each plant has green leaves and small white flowers. After the flowers fade, the berries begin to grow.

A strawberry is different from most fruits. Its seeds are on the outside! One berry can have about two hundred tiny seeds. You can see them as little yellow dots on the skin.

Strawberries are full of vitamin C. This vitamin helps keep your body healthy. One cup of strawberries has more vitamin C than one orange.

I think strawberries are the best fruit of summer. They taste wonderful in a bowl with yogurt. My family picks them at a farm every June. Picking berries is the most fun job in the world!

You can grow strawberries at home, too. They can be planted in a pot on a sunny porch. Everyone should try growing a strawberry plant at least once.

1. Which sentence is a fact from the text?

   Its seeds are on the outside.

   Picking berries is the most fun job.

   Strawberries are the best fruit of summer.

2. Which sentence is an opinion from the text?

   They taste wonderful in a bowl with yogurt.

   This vitamin helps keep your body healthy.

   They grow on low plants close to the ground.

3. Which words show this is an opinion? 'I think strawberries are the best fruit of summer.'

   are, of summer I think, best strawberries, fruit

4. How could you check that a berry has about two hundred seeds?

   ask friends if they like strawberries

   count the seeds on a strawberry

   decide if the seeds look pretty

5. Which sentence about vitamin C is a fact from the text?

One cup of strawberries has more vitamin C than one orange.

Vitamin C is the most important vitamin of all.

Everyone should eat strawberries every single day.

6. Why is 'Everyone should try growing a strawberry plant' an opinion?

The word should tells what the writer believes.

It has a number that you can count.

It tells where strawberries can grow.

7. After the flowers fade, the berries grow. What does fade mean?

grow much taller lose color and dry up turn into seeds
