People Who Help Our Town

A community is a place where people live, work, and play together. Your town is a community. Many people help it run well.

Every person who belongs to a country is a citizen. Citizens have jobs to do. They follow rules, called laws. They help keep the town clean and safe.

Our town has a mayor. A mayor is the leader of a town or city. The mayor meets with other leaders to plan new parks and fix roads.

How does a person become mayor? Citizens vote for one. To vote means to choose by marking a ballot. A ballot is a paper or screen that lists each person who wants the job. The person with the most votes wins.

Some helpers are unpaid. A volunteer is a person who works for free to help others. Volunteers pick up trash in parks. They read to children at the library.
