Rights and Responsibilities

Grade 3 Social Studies Worksheet - Challenge Me

Name _____ Date _____

Circle the answer.

1. Which pair names a right, then the duty that protects it?
   - learn in school; talk whenever you want
   - learn in school; keep sidewalks clear
   - learn in school; let classmates work quietly
   - learn in school; pick when recess starts

2. Two students both want the class laptop. Which plan respects both students' rights?
   - let the faster runner have it
   - put it away so no one uses it
   - set a timer so each gets a turn
   - give it to whoever asked first all day

3. Leo talks for the whole class meeting, so no one else speaks. Which fix protects everyone's right to speak?
   - let the loudest person go first
   - give each person a set time to talk
   - let only Leo speak at meetings
   - stop having class meetings

4. Some people leave bikes across the sidewalk. Whose right is hurt, and how?
   - walkers, because they cannot pass safely
   - drivers, because the road is blocked
   - store owners, because they lose sales
   - bike riders, because they cannot park

5. Which pair shows a right first, then the responsibility that protects it?
   - use the computer lab; pick any computer you want
   - use the computer lab; return library books
   - use the computer lab; log off when your turn ends
   - use the computer lab; stay seated on the bus

6. A library rule says: 'Borrow up to 3 books at a time.' Which right does this rule protect?
   - one reader's right to take every book
   - every reader's right to borrow books
   - the librarian's right to close early
   - the right to read without a card

7. Why are responsibilities called the other side of rights?
   - They only matter for adults.
   - They are the same thing as rights.
   - They take rights away from children.
   - Doing them keeps rights fair for everyone.

8. Nia picks up litter at the park, even litter she did not drop. What does this show?
   - She is breaking a park rule.
   - She wants to be paid for it.
   - She is using her right to vote.
   - She takes responsibility for a shared place.

9. A class votes 14 to 10 to visit the zoo. Ten students wanted the museum. What is fair?
   - let each student go where they want
   - go to the zoo and plan the museum another time
   - vote again until the museum wins
   - cancel the trip so no one is sad

10. Which choice uses a right in a way that hurts others?
    - playing music loudly in the library
    - reading quietly in the library
    - asking the librarian for help
    - returning a book early
