Rights and Responsibilities

Grade 3 Social Studies Worksheet - Challenge Me

Name _____ Date _____

Circle the answer.

1. Some people leave bikes across the sidewalk. Whose right is hurt, and how?
   - walkers, because they cannot pass safely
   - drivers, because the road is blocked
   - store owners, because they lose sales
   - bike riders, because they cannot park

2. Which pair shows a right first, then the responsibility that protects it?
   - use the computer lab; log off when your turn ends
   - use the computer lab; stay seated on the bus
   - use the computer lab; pick any computer you want
   - use the computer lab; return library books

3. A library rule says: 'Borrow up to 3 books at a time.' Which right does this rule protect?
   - the librarian's right to close early
   - the right to read without a card
   - every reader's right to borrow books
   - one reader's right to take every book

4. Why are responsibilities called the other side of rights?
   - They only matter for adults.
   - Doing them keeps rights fair for everyone.
   - They take rights away from children.
   - They are the same thing as rights.

5. Nia picks up litter at the park, even litter she did not drop. What does this show?
   - She is breaking a park rule.
   - She wants to be paid for it.
   - She is using her right to vote.
   - She takes responsibility for a shared place.

6. A class votes 14 to 10 to visit the zoo. Ten students wanted the museum. What is fair?
   - cancel the trip so no one is sad
   - go to the zoo and plan the museum another time
   - let each student go where they want
   - vote again until the museum wins

7. Which choice uses a right in a way that hurts others?
   - playing music loudly in the library
   - asking the librarian for help
   - reading quietly in the library
   - returning a book early

8. Anyone may use the town pool. Which responsibility comes with that right?
   - swim whenever the pool is open
   - bring a friend to the pool
   - choose which lane to swim in
   - follow the lifeguard's safety rules

9. Why might a town make a rule against parking cars on sidewalks?
   - to give cars more room to park
   - to stop people from walking there
   - to protect the right to drive anywhere
   - to protect people's right to walk safely

10. Which pair names a right, then the duty that protects it?
    - learn in school; keep sidewalks clear
    - learn in school; pick when recess starts
    - learn in school; talk whenever you want
    - learn in school; let classmates work quietly
