Answer Key - Grade 3 Writing Worksheet - Challenge Me

Circle the answer, or write your answer on the lines.

1. Your class blog can be read by anyone. Which detail is safe to share in a post?
   your phone number
   your password for the blog
   what your class learned about plants
   your home address

2. Two partners are writing one report on a shared document. Which plan works best?
   one partner deletes the other's work
   each writes one section, then both reread the whole report
   each partner writes a different report
   both type in the same sentence at once

3. Which caption best explains a photo of the class weather chart?
   Our chart shows it rained on four days in May.
   This is a picture we took.
   Our chart.
   Look at all the colors on our chart!

4. A report about dogs has a part about feeding and a part about exercise. Where should the heading "Exercise" go?
   in the middle of the feeding part
   before the title
   at the very end of the report
   right before the part about exercise

5. Plan a class blog post about a science experiment. Write a title, a short introduction, and a caption for a photo of the experiment.

Title _____

Introduction _____

_____

_____

Photo caption _____

_____

the title names the topic, the introduction is clear to a reader who was not there, and the caption explains the photo.
