A Visit to Maple Hill Park

Maple Hill Park is a large city park. Families come here to play, walk, and picnic. Your visit can begin at the Visitor Center. There you can pick up a free map and ask the rangers questions.

The pond is in the middle of the park. Ducks and turtles live there. You may feed the ducks, but only with the special food sold at the Snack Shop.

If you like to climb, head to Maple Hill. From the top, you can see the whole park. In fall, the maple trees on the hill turn bright red and orange.

The Forest Trail is a shady path through tall pine trees. It is about one mile long. Please stay on the path so small plants can grow.

Younger children enjoy the playground. It has swings, slides, and a sandbox. Benches nearby give parents a place to rest.

The map shows where each place is in the park. Use it with the words to plan your day.

1. Look at the map. Which place is in the north-west corner of the park?

   Maple Hill the Snack Shop the Forest Trail

2. Which place on the map is straight south of the pond?

   the Visitor Center the playground the Forest Trail

3. The text says to buy duck food at the Snack Shop. Where is the Snack Shop on the map?

   west of the pond north of Maple Hill east of the pond

4. What does the map show that the text does NOT tell?

which side of the park the Snack Shop is on

which animals live in the pond

how long the Forest Trail is

5. What does the text tell that the map does NOT show?

The playground is west of the pond.

The trail is about one mile long.

The trail is in the north-east.

6. A family at the playground wants to feed the ducks. Which way should they walk to reach the pond?

west east south

7. A child wants to see bright red leaves in fall. Which part of the map should the family visit?

the north-west corner the north-east corner the bottom middle

8. How do the map and the text work together?

The map shows where places are, and the text tells about them.

The map tells the park rules, and the text shows where places are.

The map and the text tell exactly the same facts as each other.

9. Where can visitors get a free map?

at the Snack Shop at the Visitor Center on top of Maple Hill

10. Why does the text ask visitors to stay on the Forest Trail path?

so small plants can grow so the ducks stay safe so they do not get lost
