Three Branches of Government

Grade 4 Social Studies Worksheet

Name _____ Date _____

Circle the answer.

1. A federal court rules that an order from the President breaks the Constitution. Which branch is checking which?

   The judicial branch is checking the executive branch.

   The legislative branch is checking the executive branch.

   The executive branch is checking the judicial branch.

   The judicial branch is checking the legislative branch.

2. Why must the Senate approve the President's choice for the Supreme Court?

   so one person cannot pick judges alone

   so the Senate can decide court cases

   so the judge can also make laws

   so the President can fire judges later

3. Congress meets in Washington, D.C. Which branch is Congress part of?

   the judicial branch the President's cabinet the legislative branch

   the executive branch

4. Which job can the President do alone?

   make a new law decide a court case veto a bill pass the national budget

5. Why does the U.S. government have three branches instead of one?

   so laws can be made faster

   so judges can collect taxes

   so no branch has too much power

   so the President can make every law
