Cause and Effect

Grade 4 Reading Worksheet - Challenge Me

Name _____ Date _____

Read the text. Circle what happened because of each cause.

READ THIS FIRST

The School Garden

Because the class watered the seeds, the plants grew tall. A late frost came, so the tomato leaves turned brown. The squash began to grow because bees visited the flowers. The children added compost. As a result, the soil became rich.

1. What happened because the class watered the seeds?
   - the plants grew tall
   - the tomato leaves turned brown
   - the soil became rich
   - the squash began to grow

2. What happened because a late frost came?
   - the plants grew tall
   - the soil became rich
   - the squash began to grow
   - the tomato leaves turned brown

3. What happened because bees visited the flowers?
   - the tomato leaves turned brown
   - the plants grew tall
   - the soil became rich
   - the squash began to grow

4. What happened because the children added compost?
   - the soil became rich
   - the plants grew tall
   - the tomato leaves turned brown
   - the squash began to grow
