Write a Conclusion

Answer Key - Grade 4 Writing Worksheet - Challenge Me

Write a closing sentence for each paragraph.

1. Paragraph: "Volcanoes erupt when melted rock pushes up from deep below. The rock, called magma, rises through cracks in the ground. When it reaches the top, it spills out as lava." Write a closing sentence for it.

Model answer: "In an eruption, melted rock climbs from deep below and spills out as lava." Check that it: is one complete sentence; sums up how an eruption happens; gives no opinion; adds no new fact.

2. Paragraph: "Our town should add a bike lane on Maple Street. Cars would have more room. Riders would feel safer." Write a closing sentence for it.

Model answer: "A bike lane on Maple Street would give cars more room and help riders feel safe." Check that it: is one complete sentence; repeats the opinion in new words, not a copy of the opening; ties in both reasons; adds no new reason.

3. Paragraph: "Beavers build dams across streams. They cut down trees with their strong front teeth. The dam makes a pond where the beavers build their lodge." Write a closing sentence for it.

Model answer: "Beavers cut trees to build a dam that makes a pond for their lodge." Check that it: is one complete sentence; sums up how beavers build and why; gives no opinion; adds no new fact.

4. Paragraph: "Every family should have a plan for emergencies. A plan tells everyone where to meet. It also lists who to call." Write a closing sentence for it.

Model answer: "Knowing where to meet and who to call helps a family stay safe in an emergency." Check that it: is one complete sentence; repeats the opinion in new words; ties in both parts of the plan; adds no new idea.
