Write an Informative Paragraph

Grade 4 Writing Worksheet - Challenge Me

Name _____ Date _____

Circle the detail that does not belong.

1. A paragraph explains why the Moon seems to change shape. Which detail does not belong?

   Sunlight lights up only half of the Moon.

   The Moon has no air and many craters.

   The Moon moves around Earth each month.

   We see different amounts of the lit half as it moves.

2. A paragraph explains how a compass works. Which detail does not belong?

   Earth's magnetic field pulls the needle.

   Many hikers carry water bottles and snacks.

   The needle swings to point north.

   A compass has a needle that is a tiny magnet.

3. A paragraph explains how a thermometer measures temperature. Which detail does not belong?

   Many people check the weather forecast on their phones.

   Liquid inside the tube expands when it gets warm.

   Marks on the side of the tube show the exact temperature.

   The liquid rises up the narrow glass tube as it warms up.

4. A paragraph explains how bread dough rises. Which detail does not belong?

   The yeast gives off tiny bubbles of gas.

   The bubbles make the dough puff up and grow.

   Yeast is mixed into the flour and water.

   Wheat fields turn golden brown in late summer.
