Write an Informative Paragraph

Grade 4 Writing Worksheet

Name _____ Date _____

Circle the best concluding sentence for each paragraph.

1. Paragraph: "Tides rise and fall each day. The Moon's pull moves the ocean water. Beaches look bigger at low tide." Which concluding sentence fits best?

   Next, the tide goes out and leaves shells and seaweed behind.

   The Moon's pull makes the ocean rise and fall daily.

   Some beaches have warm sand, soft dunes, and big waves.

   Tides are my favorite part of a day at the beach.

2. Paragraph: "Wetlands are areas covered by shallow water. Frogs, ducks, and reeds live there. Wetlands also soak up extra rain and help prevent floods." Which concluding sentence fits best?

   Ducks are the best animals to watch at a wetland.

   Next, the rain flows into small streams and big rivers.

   Wetlands are useful places for animals and for people.

   Some wetlands have tall, thick grasses called reeds.

3. Paragraph: "Sound is made when things shake. Drums shake when they are hit. Guitar strings shake when they are plucked." Which concluding sentence fits best?

   Music is the best kind of sound there is to hear.

   Some guitars have six strings and some have more.

   First, you hit the drum with a long wooden stick.

   Shaking objects make the sounds we hear.

4. Paragraph: "Glass can be recycled again and again. It is melted and shaped into new jars. This saves sand and energy." Which concluding sentence fits best?

   Next, the glass is sorted by color at the recycling center.

   Some glass jars have metal lids.

   Recycling gives old glass a new life and saves resources.

   Glass is my favorite thing to recycle.
