Write an Informative Paragraph

Answer Key - Grade 4 Writing Worksheet

Write one topic sentence that covers the three facts.

1. Facts: "Wind turns the blades. The blades spin a generator. The generator makes electricity." Write one topic sentence that covers all three facts.

Model answer: "Wind turbines turn the power of wind into electricity." Check that it: covers all three facts, not just one; is a full sentence; names the subject.

2. Facts: "Giraffes have long necks. They eat leaves from tall trees. Baby giraffes can stand soon after birth." Write one topic sentence that covers all three facts.

Model answer: "Giraffes are tall animals with special features." Check that it: covers all three facts, not just one; is a full sentence; names the subject.

3. Facts: "Desert plants store water. Desert animals hide from the heat. Some animals live under the sand." Write one topic sentence that covers all three facts.

Model answer: "Desert plants and animals have ways to survive the heat." Check that it: covers all three facts, not just one; is a full sentence; names the subject.

4. Facts: "The first telephones were large. Later phones had a cord. Now many phones fit in a pocket." Write one topic sentence that covers all three facts.

Model answer: "Telephones have changed a lot over time." Check that it: covers all three facts, not just one; is a full sentence; names the subject.
