Native Nations and Their Lands

Grade 4 Social Studies Worksheet

Name _____ Date _____

Circle the answer.

1. Which resources best match Haudenosaunee lands in the Northeast woodlands?
   forests, lakes, and farm fields
   wetland plants and tree islands
   salmon, cedar, and ocean shores
   sheep, wool, and desert plants

2. Do Native nations such as the Cherokee and the Lakota still exist today?
   No, they lived only in the distant past.
   Yes, but they are found only in museums.
   Yes, they have their own governments.
   No, they all joined into one big nation.

3. The Seminole built open, raised homes. The Haudenosaunee built closed longhouses. Why were they different?
   Florida is warm and wet; the Northeast has cold winters.
   Florida has cold winters; the Northeast is warm.
   Both nations moved to a new home every few days.
   Both places were hot, dry deserts all year.

4. By 1828, the Cherokee had towns, farms, a written language, and a newspaper. What does this show?
   They lived on the Pacific coast.
   They had no towns before English settlers came.
   They built a strong nation with its own ways.
   They lived by following bison herds on foot.

5. Which nation is matched with its homeland correctly?
   Lakota: islands of the Pacific coast
   Seminole: deserts of the Southwest
   Cherokee: mountains of the Southeast
   Tlingit: grasslands of the Great Plains
