Problem and Solution

Grade 4 Reading Worksheet

Name _____ Date _____

Read the text. Circle how each person solved the problem.

READ THIS FIRST

Around the Neighborhood

Ivy's bike tire went flat on the way home. She walked the bike to the shop and the owner fixed the tire. Theo's kite was caught in a tree. His neighbor held out a rake and pulled it down. Zara's little dog ran away down the street. She shook a bag of treats and the dog came right back. Sam's skateboard wheel kept squeaking. His uncle put a drop of oil on it and the squeak stopped.

1. How did Ivy solve the problem?

a shaken bag of treats a neighbor with a rake a drop of oil on the wheel a trip to the bike shop

2. How did Theo solve the problem?

a neighbor with a rake a trip to the bike shop a shaken bag of treats a drop of oil on the wheel

3. How did Zara solve the problem?

a shaken bag of treats a drop of oil on the wheel a trip to the bike shop a neighbor with a rake

4. How did Sam solve the problem?

a drop of oil on the wheel a trip to the bike shop a neighbor with a rake a shaken bag of treats
