Problem and Solution

Grade 4 Reading Worksheet - Building Confidence

Name _____ Date _____

Read the text. Circle how each person solved the problem.

READ THIS FIRST

Around the Neighborhood

Ivy's bike tire went flat on the way home. She walked the bike to the shop and the owner fixed the tire. Theo's kite was caught in a tree. His neighbor held out a rake and pulled it down. Zara's little dog ran away down the street. She shook a bag of treats and the dog came right back. Sam's skateboard wheel kept squeaking. His uncle put a drop of oil on it and the squeak stopped.

1. How did Ivy solve the problem?

a trip to the bike shop a neighbor with a rake a shaken bag of treats

2. How did Theo solve the problem?

a shaken bag of treats a neighbor with a rake a trip to the bike shop

3. How did Zara solve the problem?

a shaken bag of treats a trip to the bike shop a neighbor with a rake

4. How did Sam solve the problem?

a trip to the bike shop a neighbor with a rake a drop of oil on the wheel
