# Routine Writing Practice

Grade 4 Writing Worksheet

Name _____ Date _____

Read each task. Circle the plan that fits the time.

1. You have fifteen minutes to write a journal entry about something hard you learned. Which plan fits the time?

   tell what you learned, how it felt, and one example

   describe every class you had today in order from morning to night

   list five things you want to learn next year in school

   write a long introduction about what journals are for

2. In a ten-minute reading response, you must explain why a character felt nervous. Which plan fits the time?

   give the reason and one detail from the book

   describe the book's cover and all its colors

   list every character who appears in the book

   retell the whole chapter from beginning to end

3. You have twenty minutes to write about a science experiment. Which plan fits the time?

   tell what you did, what happened, and what it shows

   write about every experiment you have done this year

   copy the directions from the lab sheet word for word

   draw a picture of the lab table and skip the writing

4. In ten minutes you must answer, "Why does the author use a map?" Which plan fits the time?

   describe how the book's pages look

   list other books by the same author

   give your answer in one sentence, then add one clue from the text

   retell the whole book from the start
