Routine Writing Practice

Grade 4 Writing Worksheet

Name _____ Date _____

Read each question. Circle the answer that fits it.

1. Your teacher asks, "Why do leaves change color in fall?" Which answer fits?

   Leaves fall from trees in many parts of the country.

   Leaves stop making green color, so other colors show.

   Some leaves are big and wide, and some leaves are small and thin.

   Raking leaves is a chore that many families do in October.

2. Your teacher asks, "How do you add fractions with the same bottom number?" Which answer fits?

   Multiply the top numbers, then multiply the bottom numbers too.

   Add the bottom numbers and keep the top numbers the same.

   Add the top numbers and keep the bottom number the same.

   Fractions are numbers that name equal parts of a whole thing.

3. Your teacher asks, "What does the word brave mean?" Which answer fits?

   Brave rhymes with save and wave and has a long A sound.

   Brave is a word that has five letters and ends in the letter e.

   Brave means doing something hard even when you feel afraid.

   Brave is the title of a movie about a girl in Scotland.

4. Your teacher asks, "How does the author show that Leo is lonely?" Which answer fits?

   The author tells that Leo eats lunch alone every day.

   The book has a map of the school on its first page.

   The author wrote the book while living in a small town.

   Leo likes to draw maps of the school in his notebook.
