Grade 4 Writing Worksheet - Challenge Me

Name _____ Date _____

Read each question. Circle the answer that fits it.

1. Your teacher asks, "How are a frog and a toad alike?" Which answer fits?

   Toads are often brown, and frogs are often green.

   Frogs often live closer to water than toads do.

   A toad has drier, bumpier skin than a frog.

   Both are amphibians that start life in water.

2. Your teacher asks, "What is the first step in your plan to clean the classroom library?" Which answer fits?

   I think the library is the best part of the room.

   Last, I would thank the whole class for helping me out.

   Next, I would put the books back on the shelves in order.

   First, I would sort the books into piles by topic.

3. After reading about a girl who trains her dog to help patients at a hospital, your teacher asks, "What is the story mostly about?" Which answer fits?

   Dogs are the most popular pets in the whole country today.

   A girl's dog likes to chew on her shoes before school.

   A girl trains her dog to help patients at a hospital.

   The hospital has long halls and many rooms for patients.

4. Your teacher asks, "What is one way a bat differs from a bird?" Which answer fits?

   Both a bat and a bird can fly high above the ground.

   A bat has fur, and a bird has feathers.

   A bat and a bird both have wings that they flap to fly.

   Both a bat and a bird move through the air to find food.
