Name _____ Date _____

Read each question. Circle the reason the feature is useful.

1. Why is alt text useful on a published web page?

   It makes the picture load in color.

   It lets readers leave comments on the picture and share it with friends.

   It describes a picture for readers who cannot see it.

   It shrinks the picture to fit the page.

2. Why is version history useful when a group writes one report?

   It shows each partner's grade on the report.

   It stops partners from making any changes.

   Earlier copies can be restored if a change goes wrong.

   It rewrites the report in one writer's voice.

3. Why is a clear file name useful when a team shares documents?

   It checks the spelling in the file.

   It makes the file open faster.

   It stops others from editing the file.

   Everyone can tell which file is which.

4. Why is leaving a comment better than retyping a partner's sentence yourself?

   The change shows up in bold letters.

   The writer can decide whether to make the change.

   The writer no longer needs to reread.

   The draft gets longer and more detailed.
