Grade 4 Writing Worksheet

Name _____ Date _____

Read each question. Circle what the writer should add.

1. Rhea posted a chart of rainfall on her class web page. What should she add so readers know what the numbers mean?

   the date she made the chart

   a photo of the rain

   a bigger border around the chart

   a title and labels on the chart

2. Maya copied a quote from a website for her slide. What should she add so readers know it is not her own words?

   a picture of the website's home page on the screen

   quotation marks and the website name

   her name under the quote in small letters

   a bigger font for the quote

3. Eli found a fact in a library book for his slide. What should he add so readers know where the fact came from?

   a picture of the book cover

   the book's title and author

   the page number only

   the date he read it

4. Luis wrote a how-to page about folding a paper plane. What should he add so readers can follow the steps?

   numbers for each step

   a longer title

   a bright background color

   a note about his favorite plane
