Answer Key - Grade 4 Writing Worksheet - Challenge Me

Read each photo. Write one caption for it.

1. Photo: a student holds up a finished model of the solar system. Write one caption for this photo that tells something the picture cannot show.

Model answer: "Marcus finished this solar system model after two weeks of research on the planets." Check that it: tells what the photo shows; adds a fact the picture cannot show, such as the reason, the time, or the work behind it; is a complete sentence; starts with a capital letter and ends with a period.

2. Photo: students carry cans to a donation table in the school lobby. Write one caption for this photo that tells something the picture cannot show.

Model answer: "Students delivered 300 cans to the food drive that helps families in our town." Check that it: tells what the photo shows; adds a fact the picture cannot show, such as how many, why, or who it helps; is a complete sentence; starts with a capital letter and ends with a period.

3. Photo: a boy flies a kite on a windy hill. Write one caption for this photo that tells something the picture cannot show.

Model answer: "Eli tests his homemade kite on the windiest day of the month." Check that it: tells what the photo shows; adds a fact the picture cannot show, such as the reason, the time, or how it was made; is a complete sentence; starts with a capital letter and ends with a period.

4. Photo: students in safety goggles stand around a tray of colored water. Write one caption for this photo that tells something the picture cannot show.

Model answer: "Fourth graders test how liquids of different weights layer in Friday's science lab." Check that it: tells what the photo shows; adds a fact the picture cannot show, such as the reason, the day, or what was learned; is a complete sentence; starts with a capital letter and ends with a period.
