Link Ideas With Transitions

Grade 4 Writing Worksheet

Name _____ Date _____

Circle what each transition tells the reader.

1. Jin wrote: "Cats stay clean by licking their fur. In contrast, dogs need baths from their owners." What does "In contrast" tell the reader?

   Dogs get clean in the same way cats do.

   Dogs get clean because cats do.

   Dogs get clean in a different way than cats.

   Dogs get clean at a later time than cats.

2. Eli wrote: "Meg packed her lunch. Meanwhile, her brother packed his backpack." What does "Meanwhile" tell the reader?

   Meg packed after her brother finished.

   Meg's brother packed because Meg did.

   Meg's brother packed first.

   Both jobs happened at the same time.

3. Sia wrote: "The museum has many exhibits. In addition, it has a hands-on science room." What does "In addition" tell the reader?

   The science room was built before the exhibits.

   The science room is the only thing the museum has.

   The exhibits exist because of the science room.

   The science room is one more thing the museum has.

4. Ana wrote: "Our team practiced all week. Therefore, we felt ready for the game." What does "Therefore" tell the reader?

   Practice and feeling ready are not connected.

   They felt ready even though they did not practice.

   They felt ready before they practiced.

   Practice is the reason they felt ready.
