Compare Text Structures

Grade 5 Reading Worksheet - Building Confidence

Name _____ Date _____

Read the five texts. Circle how each text named in a question is organized.

READ THIS FIRST

Five short texts

Text A
The desert at noon is silent and hot. Sand stretches in every direction, and the sun burns in a cloudless sky.

Text B
The town library was too crowded on weekends. The librarians solved this by opening a second reading room.

Text C
Lions and tigers are both big cats. Lions live in groups, but tigers live alone.

Text D
A butterfly begins life as an egg on a leaf. Next, a caterpillar hatches and eats for weeks. Then it forms a chrysalis. Finally, an adult butterfly comes out.

Text E
Tom stayed up late watching a movie. Therefore, he was tired in class the next day.

1. How is Text A organized?
   sequence problem and solution cause and effect compare and contrast description

2. How is Text B organized?
   sequence problem and solution cause and effect compare and contrast description

3. How is Text C organized?
   sequence problem and solution cause and effect compare and contrast description

4. How is Text D organized?
   sequence problem and solution cause and effect compare and contrast description

5. How is Text E organized?
   sequence problem and solution cause and effect compare and contrast description
