Compare Text Structures

Grade 5 Reading Worksheet - Challenge Me

Name _____ Date _____

Read the five texts. Circle how each text named in a question is organized.

READ THIS FIRST

Five short texts

Text A
Ponds and oceans both hold water. A pond is small and has fresh water, while an ocean is huge and salty.

Text B
First, the sun heats the water in the ocean. Next, the water rises into the air as vapor. Then the vapor cools into clouds. Finally, rain falls back to the ground.

Text C
A strong wind blew across the field. Since the branch was dry, it snapped off the tree.

Text D
The night sky was dark and clear. Thousands of stars sparkled above the quiet lake, and the moon cast a silver path on the water.

Text E
Sam could not see the board from the back row. His teacher fixed the problem by moving his seat to the front.

1. How is Text A organized?
   sequence problem and solution cause and effect compare and contrast description

2. How is Text B organized?
   sequence problem and solution cause and effect compare and contrast description

3. How is Text C organized?
   sequence problem and solution cause and effect compare and contrast description

4. How is Text D organized?
   sequence problem and solution cause and effect compare and contrast description

5. How is Text E organized?
   sequence problem and solution cause and effect compare and contrast description
