Compare Text Structures

Grade 5 Reading Worksheet

Name _____ Date _____

Read the five texts. Circle how each text named in a question is organized.

READ THIS FIRST

Five short texts

Text A
Both the Nile and the Amazon are long rivers. The Nile flows through a desert, but the Amazon flows through a rain forest.

Text B
Every morning, Dad wakes up at six. Then he makes breakfast for the family. After that, he drives us to school. Finally, he goes to work.

Text C
The snow fell all night. Due to the snow, school was closed.

Text D
A hummingbird is a tiny bird with shimmering green feathers. Its long, thin beak is perfect for reaching into flowers, and its wings beat so fast that they look like a blur.

Text E
Our phone battery ran out every afternoon. The solution was a charger we kept in the backpack.

1. How is Text A organized?
   sequence problem and solution cause and effect compare and contrast description

2. How is Text B organized?
   sequence problem and solution cause and effect compare and contrast description

3. How is Text C organized?
   sequence problem and solution cause and effect compare and contrast description

4. How is Text D organized?
   sequence problem and solution cause and effect compare and contrast description

5. How is Text E organized?
   sequence problem and solution cause and effect compare and contrast description
