Grade 5 Reading Worksheet - Challenge Me

Name _____ Date _____

Read each paragraph. Circle the text structure it uses.

1. The town library was too crowded on weekends. The librarians solved this by opening a second reading room.

   sequence problem and solution cause and effect compare and contrast

2. A butterfly begins life as an egg on a leaf. Next, a caterpillar hatches and eats for weeks. Then it forms a chrysalis. Finally, an adult butterfly comes out.

   sequence problem and solution cause and effect compare and contrast

3. Lions and tigers are both big cats. Lions live in groups, but tigers live alone.

   sequence problem and solution cause and effect compare and contrast

4. Tom stayed up late watching a movie. Therefore, he was tired in class the next day.

   sequence problem and solution cause and effect compare and contrast

5. Our class hamster was always bored. The solution was a wheel and a tunnel to play in.

   sequence problem and solution cause and effect compare and contrast

6. Before school, Jo packs her lunch. Then she zips her bag and puts on her shoes. After that, she walks to the bus stop. Finally, she climbs aboard.

   sequence problem and solution cause and effect compare and contrast

7. Both apples and oranges grow on trees. An apple has a thin skin, while an orange has a thick peel.

   sequence problem and solution cause and effect compare and contrast

8. The sun was very hot, so the puddles dried up quickly.

   sequence problem and solution cause and effect compare and contrast
