Grade 5 Reading Worksheet - Challenge Me

PencilGo

Name _____ Date _____

Read each paragraph. Circle the text structure it uses.

1. Because the bees visited many flowers, the garden grew more fruit this year.

   sequence problem and solution cause and effect compare and contrast

2. The farmers had a problem with crows eating their corn. They put up scarecrows in the field, and fewer crows came.

   sequence problem and solution cause and effect compare and contrast

3. To make a paper airplane, first fold the paper in half. Next, fold the top corners to the middle. Then fold the wings down. Finally, throw it gently.

   sequence problem and solution cause and effect compare and contrast

4. Cars and bicycles both carry people. A car has an engine, but a bicycle needs pedaling.

   sequence problem and solution cause and effect compare and contrast

5. A strong wind blew across the field. Since the branch was dry, it snapped off the tree.

   sequence problem and solution cause and effect compare and contrast

6. Sam could not see the board from the back row. His teacher fixed the problem by moving his seat to the front.

   sequence problem and solution cause and effect compare and contrast

7. First, the sun heats the water in the ocean. Next, the water rises into the air as vapor. Then the vapor cools into clouds. Finally, rain falls back to the ground.

   sequence problem and solution cause and effect compare and contrast

8. Ponds and oceans both hold water. A pond is small and has fresh water, while an ocean is huge and salty.

   sequence problem and solution cause and effect compare and contrast
