The Water Cycle

Grade 5 Science Worksheet - Challenge Me

Name _____ Date _____

Read each event. Circle the part of the water cycle it shows.

1. Drops fall from heavy clouds to the ground.
   evaporation condensation precipitation collection

2. Snowflakes land on the roof.
   evaporation condensation precipitation collection

3. Rain falls from the clouds.
   evaporation condensation precipitation collection

4. A lake fills with water after a storm.
   evaporation condensation precipitation collection

5. Heat makes water rise into the air.
   evaporation condensation precipitation collection

6. Water runs downhill to the ocean.
   evaporation condensation precipitation collection

7. A bathroom mirror fogs up after a hot shower.
   evaporation condensation precipitation collection

8. A puddle forms in a low spot.
   evaporation condensation precipitation collection

9. Dew forms on the grass overnight.
   evaporation condensation precipitation collection

10. Heat from the Sun turns ocean water into water vapor.
    evaporation condensation precipitation collection

The Water Cycle

Answer Key - Grade 5 Science Worksheet - Challenge Me

Read each event. Circle the part of the water cycle it shows.

1. Drops fall from heavy clouds to the ground.
   evaporation condensation **precipitation** collection

2. Snowflakes land on the roof.
   evaporation condensation **precipitation** collection

3. Rain falls from the clouds.
   evaporation condensation **precipitation** collection

4. A lake fills with water after a storm.
   evaporation condensation precipitation **collection**

5. Heat makes water rise into the air.
   evaporation condensation precipitation collection

6. Water runs downhill to the ocean.
   evaporation condensation precipitation **collection**

7. A bathroom mirror fogs up after a hot shower.
   evaporation **condensation** precipitation collection

8. A puddle forms in a low spot.
   evaporation condensation precipitation **collection**

9. Dew forms on the grass overnight.
   evaporation **condensation** precipitation collection

10. Heat from the Sun turns ocean water into water vapor.
    evaporation condensation precipitation collection
