The Water Cycle

Grade 5 Science Worksheet

Name _____ Date _____

Read each event. Circle the part of the water cycle it shows.

1. A puddle forms in a low spot.
   evaporation condensation precipitation collection

2. Dew forms on the grass overnight.
   evaporation condensation precipitation collection

3. Heat from the Sun turns ocean water into water vapor.
   evaporation condensation precipitation collection

4. Big flakes of snow fall.
   evaporation condensation precipitation collection

5. Drops form on the outside of a cold glass.
   evaporation condensation precipitation collection

6. Freezing rain coats the road.
   evaporation condensation precipitation collection

7. Water vapor rises from the sea.
   evaporation condensation precipitation collection

8. Light drizzle falls.
   evaporation condensation precipitation collection

9. Streams carry water to the sea.
   evaporation condensation precipitation collection

10. Rainwater flows into a river.
    evaporation condensation precipitation collection

The Water Cycle

Answer Key - Grade 5 Science Worksheet

Read each event. Circle the part of the water cycle it shows.

1. A puddle forms in a low spot.
   evaporation condensation precipitation **collection**

2. Dew forms on the grass overnight.
   evaporation **condensation** precipitation collection

3. Heat from the Sun turns ocean water into water vapor.
   evaporation condensation precipitation collection

4. Big flakes of snow fall.
   evaporation condensation **precipitation** collection

5. Drops form on the outside of a cold glass.
   evaporation **condensation** precipitation collection

6. Freezing rain coats the road.
   evaporation condensation **precipitation** collection

7. Water vapor rises from the sea.
   evaporation condensation precipitation collection

8. Light drizzle falls.
   evaporation condensation **precipitation** collection

9. Streams carry water to the sea.
   evaporation condensation precipitation **collection**

10. Rainwater flows into a river.
    evaporation condensation precipitation **collection**
