The Water Cycle

Grade 5 Science Worksheet - Challenge Me

Name _____ Date _____

Read each event. Circle the part of the water cycle it shows.

1. Light drizzle falls.
   evaporation condensation precipitation collection

2. Streams carry water to the sea.
   evaporation condensation precipitation collection

3. Rainwater flows into a river.
   evaporation condensation precipitation collection

4. Clouds form as warm air rises and cools.
   evaporation condensation precipitation collection

5. Sleet falls in winter.
   evaporation condensation precipitation collection

6. Water in a puddle slowly disappears in the sun.
   evaporation condensation precipitation collection

7. A wet towel dries in the sun.
   evaporation condensation precipitation collection

8. Runoff flows into a pond.
   evaporation condensation precipitation collection

9. A thunderstorm drops heavy rain.
   evaporation condensation precipitation collection

10. Water falls from the sky as ice pellets.
    evaporation condensation precipitation collection

The Water Cycle

Answer Key - Grade 5 Science Worksheet - Challenge Me

Read each event. Circle the part of the water cycle it shows.

1. Light drizzle falls.
   evaporation condensation **precipitation** collection

2. Streams carry water to the sea.
   evaporation condensation precipitation **collection**

3. Rainwater flows into a river.
   evaporation condensation precipitation **collection**

4. Clouds form as warm air rises and cools.
   evaporation **condensation** precipitation collection

5. Sleet falls in winter.
   evaporation condensation **precipitation** collection

6. Water in a puddle slowly disappears in the sun.
   evaporation condensation precipitation collection

7. A wet towel dries in the sun.
   evaporation condensation precipitation collection

8. Runoff flows into a pond.
   evaporation condensation precipitation **collection**

9. A thunderstorm drops heavy rain.
   evaporation condensation **precipitation** collection

10. Water falls from the sky as ice pellets.
    evaporation condensation **precipitation** collection
