The Water Cycle

Grade 5 Science Worksheet - Building Confidence

Name _____ Date _____

Read each event. Circle the part of the water cycle it shows.

1. Runoff flows into a pond.
   evaporation condensation precipitation collection

2. A thunderstorm drops heavy rain.
   evaporation condensation precipitation collection

3. Water falls from the sky as ice pellets.
   evaporation condensation precipitation collection

4. Fog forms on a cool morning.
   evaporation condensation precipitation collection

5. The sidewalk dries after a rain.
   evaporation condensation precipitation collection

6. Wet clothes dry on a clothesline.
   evaporation condensation precipitation collection

7. Hail falls during a storm.
   evaporation condensation precipitation collection

8. Sweat on skin dries.
   evaporation condensation precipitation collection

9. Water in a pot turns to steam.
   evaporation condensation precipitation collection

10. Water vapor cools and forms clouds.
    evaporation condensation precipitation collection

The Water Cycle

Answer Key - Grade 5 Science Worksheet - Building Confidence

Read each event. Circle the part of the water cycle it shows.

1. Runoff flows into a pond.
   evaporation condensation precipitation **collection**

2. A thunderstorm drops heavy rain.
   evaporation condensation **precipitation** collection

3. Water falls from the sky as ice pellets.
   evaporation condensation **precipitation** collection

4. Fog forms on a cool morning.
   evaporation **condensation** precipitation collection

5. The sidewalk dries after a rain.
   evaporation condensation precipitation collection

6. Wet clothes dry on a clothesline.
   evaporation condensation precipitation collection

7. Hail falls during a storm.
   evaporation condensation **precipitation** collection

8. Sweat on skin dries.
   evaporation condensation precipitation collection

9. Water in a pot turns to steam.
   evaporation condensation precipitation collection

10. Water vapor cools and forms clouds.
    evaporation **condensation** precipitation collection
