Tell About My Drawing

Answer Key - Preschool Writing Worksheet

Write your answer on the lines, circle the picture, or draw in the box.

1. Which one is in the picture?

2. Look at the picture. Tell who is here and what they are doing.

Adult check: listen for a naming word and an action word in the same breath, not a list of objects. Tick it off when the child has said both.

3. Draw something you see in this picture. Tell one thing about it.

Adult check: the sentence is about the drawing on the page, not a different story the child would rather tell.

4. Look at the picture. Tell about it. A grown-up writes your words down.

Adult check: the words written down are the child's own, about the picture, and the child watches the writing happen. Tick it off once the words are on the page.
