Tell About My Drawing

Answer Key - Preschool Writing Worksheet - Building Confidence

Write your answer on the lines, circle the picture, or draw in the box.

1. Which one is in the picture?

2. Look at the picture. Tell who is here and what they are doing.

Adult check: listen for a naming word and an action word in the same breath, not a list of objects. Tick it off when the child has said both.

3. Draw something you see in this picture. Tell one thing about it.

Adult check: the sentence is about the drawing on the page, not a different story the child would rather tell.

4. Tell one more thing you can see here.

Adult check: the second thing is different from the first, rather than the same idea said again. Tick it off when the child has named a new thing.
